Type: ☒ Telephonic ☐ Personal (copy is given to ☐ applicant ☐ applicant's representative).

Exhibit shown or demonstration conducted: ☐ Yes ☒ No. If yes, brief description:

Agreement ☐ was reached. ☒ was not reached.

Claim(s) discussed: 1-20

Identification of prior art discussed:

Description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Applicant was informed that the exemplification on pages 55-58 of the specification, as well as Figure 4, provides sufficient evidence to demonstrate a synergistic effect from two administrations, therefore claims 1-18 are allowable. Claims 19 and 20 remain rejected because the addition of written instructions teaching the administration of two doses of alloactivated lymphocytes is anticipated by a composition claim of Granger et al (US Patent 5,837,233) with written instructions for administering one dose. Different instructions in a composition claim speak more to intended use and do not alter the composition components. Additionally, the Applicant is informed that Paper 11, filed 9/29/00, has been vacated in lieu of the allowance.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

1. ☒ It is not necessary for applicant to provide a separate record of the substance of the interview.

Unless the paragraph above has been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW. (See MPEP Section 713.04). If a response to the last Office action has already been filed, APPLICANT IS GIVEN ONE MONTH FROM THIS INTERVIEW DATE TO FILE A STATEMENT OF THE SUBSTANCE OF THE INTERVIEW.

2. ☒ Since the Examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action. Applicant is not relieved from providing a separate record of the interview unless box 1 above is also checked.

Examiner Note: You must sign and stamp this form unless it is an attachment to a signed Office action.
